

Moe's Café

A detailed description of a place with personality

Start

You're driving some place far from home when your radiator starts steaming. You manage to find a mechanic at a gas station who can fix your car, but it's going to take a few hours. You ask him if there's any place to get a bite, and he points across the road to Moe's Café. You don't have much choice, so you head inside and take a seat at the first booth on the left and look around in horror at the filth.
